

23rd July, 2021

**Dear Parents,
Greetings of the day!**

As per the government orders there is a strong likelihood of senior students (IX – XII) coming back to school from Monday 2nd August. We are of the opinion that the students should sit for their PT I (IX) Assessment offline (physically in school), as it helps in a more authentic assessment of each child. Therefore we have rescheduled these (PT I – IX) for the students of IX. The **Tentative rescheduled** date for these assessments is Monday 2nd August to Saturday, 7th August 2021. A revised schedule will be shared once we receive the government guidelines.

In the coming week – Monday 26th July to Friday 30th July students will have regular online classes as per the time table.

**Thanking You,
Regards,**

**Ms. Surabhi Mohan
Principal**
